No.R/CB.II/Students-Attendance/2012/570

Delhi, the 9th October, 2012

NOTIFICATION

The Principals of all the colleges have been requested by the University repeatedly through its communications dated 07.02.2012, 24.02.2012 and 18.04.2012 to upload attendance records of students of their college(s) on college website every month on the prescribed format.

It has come to the notice of the University that despite repeated communications, the attendance records of students are not being uploaded by some of the colleges on their respective websites. As a result, there have been a large number of complaints from students of the various colleges and in some of the cases complaints of non-compliance of the directives of the University have also been brought to the notice of the Hon'ble Delhi High Court through different writ petitions concerning shortage of attendance of students.

The Principals of the Colleges are once again advised to ensure display of attendance records of their students on monthly basis on their college websites so as to caution students about the shortage of their attendance and to give them ample opportunity to seek rectification, if required and complete/make up the shortfall of attendance in the residual period of the academic session.

It is also apprised that the administrative instruction for preparing and uploading monthly attendance records of students referred to above, is in accord with the directives of the Hon'ble High Court in W.P. (C) No. 8302/2009. It may, therefore, be brought to the notice of all concerned to ensure compliance and note that the cost of any unnecessary litigation in this respect would have to be borne by the defaulting Teachers/Principals.

Copies of formats are again enclosed.
